Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our Site. Your web browser is technically configured to automatically transmit the following data ("log data") to our web server, which we then capture in log files:

- Date of access
- Time of access
- URL of the referring website
- File retrieved
- Data volume transmitted
- Browser type and version
- Operating system
- IP address
- Domain name of your internet access provider

This is exclusively information which does not allow you to be identified. This information is necessary for technical purposes in order to correctly deliver the content requested by you and its collection is an

unavoidable aspect of using websites. The log data is analysed purely for statistical purposes in order to improve our website and its underlying functionality.

Web browser cookies

We use cookies on our website to provide the best possible user experience for our website visitors. Cookies are small text files that are placed on a web user's computer and are designed to hold a modest amount of data particular to a user and a website. Cookies give us information how users use our website. We may use cookies to develop our website and services, analyse website use as well as target and optimize marketing efforts. If you do not wish to receive cookies, you may set your web browser to disable them. Please note that most browsers accept cookies automatically. If you disable cookies, you should understand that certain services at our website may not function correctly.

Quotations and orders

On completion of any quotations we will hold the digital files on record in secure servers. We only store this data for as long as necessary and only for the purpose of quotations and rarely for marketing purposes. Once personal data is no longer needed we will destroy it securely. We will not transmit your information to third parties, unless it is required to fulfil your request for quotation, to complete an order, or we are legally obliged to do so. Data disclosures will only be relevant to the requirement of the quotation.

How we use collected information

TYRI Group may collect and use Users personal information for the following purposes:

- To improve our Site
 - We may use feedback you provide to improve our products and services.
- To run a promotion, contest, survey or other Site feature
 - To send Users information they agreed to receive about topics we think will be of interest to them.
- To send periodic emails
 - We may use the email address to send User information and updates pertaining to their order. It may also be used to respond to their inquiries, questions, and/or other requests. If User decides to opt-in to our mailing list, they will receive emails that may include company news, updates, related product or service information, etc. If at any time the User would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

Forwarding of data to third parties

TYRI Group may, if necessary to fulfil the purpose for processing the personal data, or if required by law or regulation share your personal data with other TYRI Group, including companies outside of the European Union or the European Economic Area EU/EEA.

We do not sell, trade, or rent Users personal identification information to others. TYRI Group will never, share your personal data with third party companies and suppliers including companies and suppliers outside the EU/EEA.

How we protect your information

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorised access, alteration, disclosure or destruction of your personal information and data stored on our Site.

Sensitive and private data exchange between the Site and its Users happens over an SSL secured communication channel and is encrypted and protected with digital signatures.

For how long will TYRI Group keep your personal data?

TYRI Group will keep your personal data if required to fulfil the purposes for which the personal data was collected.

Third party websites

Users may find advertising or other content on our Site that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from our Site. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies. Browsing and interaction on any other website, including websites which have a link to our Site, is subject to that website's own terms and policies.

Changes to this privacy policy

TYRI Group has the discretion to update this privacy policy at any time. When we do, we will revise the updated date at the bottom of this page. We encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.
